RE: REGISTRATION OF VALVES AND FITTINGS
(Kimray Inc.)

The design(s) for the following Valves/Fittings has been received by us and has been examined and accepted for registration in the Province of Manitoba as follows.

| DRAWING / CATALOGUE | CRN | FILE |
|------------------------|------------|-------|
| CRN10205 Rev. OCT 9/10 | OC10903.24 | 31315 |

An invoice covering survey and registration fees is enclosed.

***NOTE:** This CRN has been accepted under reciprocal agreement and is conditional based on compliance to the notes set by ABSA; SA-395 is excluded, maximum operating temperature is 450°F.*

This registration will expire November 30, 2020.

This registration is valid until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

The registration of this design does not relieve the manufacturer, the owner or his agent of the responsibility for the design or construction of a fitting in accordance with the applicable Acts, Codes and Standards. Inspection and Technical Services assumes no responsibility by registering designs, examining plans and/or inspecting equipment or facility.

Yours truly,

Ryan DeLury, C.E.T.
Senior Design Surveyor, Inspection and Technical Services
