## 2823S4 FLOAT 9-3/4 DIA 304SS

Mechanical Dump Valve | Float

**9-3/4" Sphere**  
**0.75" Female NPT**

Kimray offers different float sizes and shapes to accommodate different liquid specific gravities and vessel openings, and different materials for varying levels of corrosion resistance. The float is ordered separately from the Trunnion Assembly and Float Arm, which it assembles to.
