

# INSULATED COVERS

## CODE BUILDER

Product Type:

**KSNI - Insulated Cover**

Size:

**2 = 2 Inch**  
3 = 3 Inch  
4 = 4 Inch  
Etc.

Intended Use:

Connection:

**S = Screwed**  
F = Flanged

Body:

**T = Through**  
A = Angled

Color:

**B = Black**

Material:

**S = Silver**

CCV = Cage Guided HPCV  
LDV = Lever Operated Dump Valve  
LPR = Low Pressure Regulator  
LPV = Low Pressure Control Valve  
PDV = Pneumatically Operated Dump Valve  
**REG = Standard Regulator**  
SCV = Stem Guided HPCV  
SLV = Spring Loaded Valve  
WDV = Weight Operated Dump Valve

**KSNI**

*\*Note: Adjustable Double Acting Low Pressure Control Valves are the only products that do not fit within their natural familial category. Instead, they would follow the below code build guidelines:*

*1" ADA LPCVs would be covered by the "REG" category  
2" ADA LPCVs would be covered by the "SLV" category*
