

## 2022 PRICE ADJUSTMENT

At Kimray, our mission is to make a difference in the lives of those we serve. Over the years we've done that by keeping our prices as low as possible while still providing the best quality products for your production needs.

Since the beginning of 2022, we have experienced higher than expected costs on all raw material commodities and labor used to make our products.

**Due to this reality, we are introducing a flat 6% price adjustment on all Kimray products effective July 1, 2022.\***

We have typically implemented price adjustments at the beginning of the year. However, due to the rapidly changing supply market conditions, we are continuing to monitor the cost of raw materials and will adjust accordingly.

\*Note that if your project has already been quoted, we will honor that pricing until expiration whether or not it delivers after July 1, 2022. New pricing will be effective immediately on all new orders placed that deliver after July 1st. Blanket orders will be adjusted if delivering after July 1st.

As always, we appreciate the trust you put in the Kimray brand. Please contact us with any questions.
