

2026 PRICING ADJUSTMENTS

Our promise is simple: **People you can trust. Products you can count on.**

For more than 75 years, Kimray has helped our customers maximize the value of their operations with products designed and manufactured in the USA. Through continued investments in manufacturing efficiency and product quality, we remain committed to delivering long-term value while keeping costs as low as possible.

As a result, we are pleased to announce that **pricing for the vast majority of Kimray products will remain unchanged.** Only a limited number of products will see a pricing adjustment to better align with the cost of manufacturing. Your Kimray representative can provide additional details regarding the affected products upon request.

When you choose Kimray, you're investing in more than just a product. You're backed by:

- Durable, field-proven control solutions that maximize wellsite uptime
- Technical training and educational resources
- Field service and on-site support
- Expert support from our regional Kimray locations and distribution partners

Thank you for your continued trust and partnership.
